

# Dogs Were Barking

Gogol Bordello

Dogs were barking, guests were parking  
And my wedding was about to start  
Dogs were barking, monkeys clapping  
Then I got up on table and I said  
I'll meet you 10:45 on the Broadway Canal  
In a disco-radical-transglobal

Comanja cooking up the original mixtura  
S ulitzy do ulitzy the brilliant bassura

Mama, diaspora, papa v Gogol Bordello  
Energija probuzdenija i ja  
Dogs were barking, monkeys clapping  
Bears were dancing and girls were cutting loose

Cops were lurking, kids were snarkling  
Then her father came up to me and said  
Vi bivali kogda nibud na vistavke sobak?  
She was a 5-45, nashe delo tabak

Da ja zge starij dobrij Opta-Hotza-Htzulo-Dzigit  
Govorjat prosto bolnoi, ta nichego zhe ne bolit  
Nasha mama, diaspora, papa v Gogol Bordello  
Energija probuzhdenija i ja

Remember things, things that are eternal  
Remember things, you forgot those things  
Nelzja ponjat, nelzja izmerit  
Tolko brasat', i tolko vvis

To make it all even more crooked is impossibility of suicide  
You pull the trigger, yet you are still standing  
Just somewhere else, but with same dick in your hand

And the dogs were barking and the guests were parking  
And the monkeys clapping and girls were cutting loose  
Thinking 'bout things, things that are eternal  
When her mother came up to me and said

Dogs were barking, cops were lurking  
And my dancing was about to start!  
Monkeys clapping party  
Davaj tovarisch, like tovarisch would

I met a crazy dancer, a party tabashi  
She held me by the hair I held her by the aass  
Nananana, she was a crazy dancer  
Nananana, she was a crazy dancer

Baja kuka napade original mixtura  
Z ulice do ulice to brilia bazhura  
Beat fun cool feel extoura  
Vyderzhit li vyderzhit aparatura!  
Nananana

And the dogs were barking and the guests were parking  
And the monkeys clapping and girls were cutting loose

Thinking 'bout things, things that are eternal  
When her mother came up to me and said  
Dogs were barking
