You have the power to heal yourself

All illness can be healed the cell regenerates disambiguated situation There is a secret code in the structure of the mind You have the power to heal yourself

Flesh bodies mute and blinded roaming uncertain, lost infected misinformed Releasing a black enormous insect out from the chest archaic form disease

Esoteric surgery a dissection of the soul Unsuspected precise power on the wounded astral body projected beam of light

All illness can be healed the cell regenerates disambiguated situation
There is a secret code in the structure of the mind
You have the power to heal yourself

Suspended floating in empty spaces
Descending swift like a fire running down
Obstruction disintegration life force
overcoming all circumstances
Release the pain
