Damdadi damdadi damdadi dadidadidam

Oh dang dang dang, the bells are ringing, why why?
Who did it to me? I think it's you
My jaw is dropping, I have a feeling
There's a reason I fell for you at first sight

Oh yeah, you're perfectly perfect
I compliment you very much
Damdadi damdadi, I like that
Oh yeah, I'm all ready, just need you to come
Damdadi damdadi, just like that, cause I'm burning up
How much longer
Are you gonna confuse me and just stand there?

Can't stop me girl girl girl
I can't hear anything, can't see anything, can't stop
Girl girl girl, I'm so excited
Even at day, even at night, I can't hide it

Damdadi damdadi damdadi dadidadidam
You're different
Damdadi damdadi damdadi dadidadidam
I'm only looking at you

Your sweet comments
Your difference from others makes me say ok right away
I have no interest in other girls
I'm burning up, hurry up girl

Down down damdadi
Feels like a twist, fabulous feel so high
You make me go crazy, I love ya!

Oh every day, I want you more and more
What can I do for you? Tell me anything
