

I Do Rock 'n Roll

Golden Earring

I do rock 'n roll...
Can't help it, can't fight it
Nothing I can do without it
Can't help it , can't fight it
Nothing I can do without it

You're sorry you met me
Tomorrow you miss me
Tomorrow I'll kiss you goodbye
You're sorry you met me
Tomorrow you miss me
Tomorrow I'll kiss you goodbye
You can tell me why, tell me why

I do rock 'n roll...
You're sorry you met me
Tomorrow you miss me
Tomorrow I'll kiss you goodbye
You can tell me why , tell me why

I do rock 'n roll...Show me
Anything that you wanna do
We'll do it tonight, all night
Anything that you wanna do
It's all for you
You're sorry you met me
Tomorrow you miss me
Tomorrow I'll kiss you goodbye
