

Dont Let Me Go

Goldfinger

Sending out another S.O.S.
'Cause my head is such a mess
Gonna lay down in the bed I made
Turn around and face the strange
There are days I can not find myself
And no one offers any help
Sending out another S.O.S.
'Cause my head is such a mess

Hang on, hang on, hang o-o-on
Don't let me go, don't let me go, don't let me go
Hang on, hang on, hang o-o-on
Don't let me go, don't let me go, don't let me go

Listen up, this ain't a comeback song
'Cause I've been here all along
You could say I lost my voice
But I have always made the choice
There are ones that hide themselves away
Hide behind the words they say
Listen up, this ain't a comeback song
'Cause I've been here all along

Hang on, hang on, hang o-o-on
Don't let me go, don't let me go, don't let me go
Hang on, hang on, hang o-o-on
Don't let me go, don't let me go, don't let me go

Sending out another S.O.S.
'Cause my head is such a mess

Hang on, hang on, hang o-o-on
Don't let me go, don't let me go, don't let me go
Hang on, hang on, hang o-o-on
Don't let me go, don't let me go, don't let me go

I'm not going anywhere
I'm not going anywhere
