

## FREAKING OUT A BIT

Goldfinger

I don't know what I want anymore  
Sometimes I can't get up off of the floor  
Am I crazy and losing my mind?  
Or am I beating these demons inside?

And I'm wide awake on the couch  
Watching Twilight Zone with no sound  
When I can't break out of my head  
It's like the Night of the Living Dead  
I'm waiting for a sign

I'm not alright, I'm not okay  
But I'm better than I think  
I'll just fake it till I make it  
I'll keep lying to my shrink  
I'm waiting for a sign  
I think I'm doin' fine  
I'm freaking out a bit

Sometimes I just need to set it aside  
You bought the ticket, now go for a ride  
So hold on for the time of your life  
Like Dr. Jekyll and Mr. Hyde

I'm lost in the middle  
'Cause life is a riddle  
And I'm just a little insane  
So give me a minute  
I'm not done with livin'  
And I still got somethin' to say

I'm not alright, I'm not okay  
But I'm better than I think  
I'll just fake it till I make it  
I'll keep lying to my shrink  
I'm waiting for a sign  
I think I'm doin' fine  
I'm freaking out a bit

I'm not right, but I'm getting better  
I'm not right, but I'm getting better  
I'm not right, but I'm getting better  
I'm not right, but I'm getting better

I'm not alright, I'm not okay  
But I'm better than I think  
I'll just fake it till I make it  
I'll keep lying to my shrink  
I'm waiting for a sign  
I think I'm doin' fine  
I'm freaking out a bit

I'm freaking out a bit
