UNTOUCHABLE

Goldfinger

These are the days
That we'll never get back
No, we'll never turn back the page
No time to waste
No, we'll never get back
No, we'll never get back today

Oh, we could drink all night
Smoke all day
We always find a way
I'm gonna do what I want (Want)
Say what I say (Say)
I'll never ever change
Yeah, 'cause everybody dies, but not everybody lives
I'll never have regrets for all the shit that I did
We are the kings of the suburbs
Yeah, yeah, yeah

Untouchable
These are the days
That we'll never get back
No, we'll never turn back the page
No time to waste
No, we'll never get back
No, we'll never get back today
Feeling like I just don't care at all
Fuck tomorrow
These are the days
That we'll never get back
No, we'll never turn back
Never turn back the page

Throwin' rocks at your window
Know it's late at night
Would rather keep it simple
Cruisin' Malibu, tryin' to catch a vibe with you
And I don't know your ex-man
But he be really trippin', that nigga still poppin' Xans
I be pullin' up, I met that bitch out in France
I don't give a fuck, nigga, come at me to dance

Untouchable
These are the days
That we'll never get back
No, we'll never turn back the page
No time to waste
'Cause we'll never get back
No, we'll never get back today
Feeling like I just don't care at all
Fuck tomorrow
These are the days
That we'll never get back
No, we'll never turn back
Never turn back the page

Never turn back
Never turn back the page

Responsibility
I'm not made for that
I'm not made for that
Responsibility
I don't fuck with that
I don't fuck with that
Responsibility
I'm not made for that
I'm not made for that
Responsibility
I don't fuck with that

Untouchable
These are the days
That we'll never get back
No, we'll never turn back the page
No time to waste
No, we'll never get back
No, we'll never get back today
Feeling like I just don't care at all
Fuck tomorrow
These are the days
That we'll never get back
No, we'll never turn back the page

No, we'll never turn back the page
