

# You Say You Don't Love Me

Goldfinger

You say you don't love me  
Well that's alright with me 'cause I'm in love with you  
And I wouldn't want you doing things you don't want to do  
Oh you know I've always wanted you to be in love with me  
And it took so long to realize the way things have to be  
I wanted to live in a dream that couldn't be real

And I'm starting to understand now the way that you feel

You say you don't  
You say you don't  
You say you don't love me  
Well that's alright with me 'cause I have got the time  
To wait in case someday you maybe change your mind  
I've decided not to make the same mistakes this time around  
As I'm tired of having heartaches I've been thinking and I've found  
I don't want to live in a dream  
I want something real

And I think I understand now the way that you feel

You say you don't  
You say you don't  
You say you don't

You say you don't  
You say you don't  
You say you don't love me  
Well that's alright with me  
I'm not in love with you  
I just want us to do the things we both want to do  
Though I've got this special feeling I'd be wrong to call it love  
For the word entails a few things that I would be well rid of  
I've no need to live in a dream  
It's finally real

And I hope you now understand this feeling I feel

You say you don't  
You say you don't  
You say you don't love me  
You say you don't love me  
You say you don't love me
