

Easy Does It

goldford

I was back and forth between here and Tennessee
You were something dark, but you were something sweet
I didn't wanna leave you, but I had to breathe
I didn't wanna need you, but it had to be you, baby
Rushing in like I'm a fool chasing
Everything but the truth, maybe
I needed something to lose

Easy, easy does it
Baby, I don't wanna rush it
Rushing's just a waste of time
Easy, easy does it
Feeling like we're onto something good
Something ain't easy to find
Easy does it

Was it in the lightning that the rules kept fate?
Swore I saw my future staring back at me
Strangest thing – I couldn't look away
The way you said goodbye, I knew it had to be you, baby
Pulling me in, baby, like a fool chasing
Everything but the truth, maybe
I needed something to lose

Easy, easy does it
Baby, I don't wanna rush it
Rushing's just a waste of time
Easy, easy does it
Feeling like we're onto something good
Something ain't easy to find
Easy does it

Oh, she wanna dive right in
Drive and see the end of the road, oh
Oh, she wanna dive right in
I'ma let her take control

Take it easy, easy does it
Baby, I don't wanna rush it
Rushing's just a waste of time
Oh, easy, easy does it
Feeling like we're onto something good
Something ain't easy to find
Easy does it
