

# Believer

Goldfrapp

A cupid on the gold  
No arrow and no bow,  
Yeah, yeah, yeah

I thought you'd gone for good  
I hadn't understood  
Yeah, yeah, yeah

Rushing like the sea  
You've come back to me  
I'm a believer, I'm a believer, I'm a believer  
In you now  
I'm a believer, I'm a believer, I'm a believer  
In you now

Maker of a dream  
Leading every scene  
Yeah, yeah, yeah  
I needed to survive  
Without you I would die  
Yeah, yeah, yeah

Rushing like the sea  
You've come back to me  
And I would say

I'm a believer, I'm a believer, I'm a believer  
In you now  
I'm a believer, I'm a believer, I'm a believer  
In you now

Dreaming  
You're dreaming  
Dreaming of the love  
Holding on  
Don't let go...

I'm a believer, I'm a believer, I'm a believer  
In you now  
I'm a believer, I'm a believer, I'm a believer  
In you now  
I'm a believer, I'm a believer, I'm a believer  
In you now
