

Deer Stop

Goldfrapp

And I long to go
Love started here
Shoot your star
Be a light
Is that

Don't you call
Deer stop bottle in a shell
Shoot a thousand stars over me
Love to come home
You've arrested a knight

Say my name
Whisper it, don't ever turn
I'm deliciously wired
I'm falling in a cloud

Deer stop bottle in a shell
Shoot a thousand stars over
Say my name
Whisper it
