Raindrops

GoldLink

All I hear is raindrops (Raindrops, raindrops)
All I hear is raindrops (Raindrops, raindrops)

All I hear is raindrops
I want range wit' new top
When I post the news stop
If I post my nudes I
Have the world like ooh, ahh
This right here that new bop
Type to make the mood stop
I don't follow rules I
Just break them then call my

Call me on my cellyphone
Hate when you leave me alone
I don't like to instagram
I don't like when you be out
I just want yo fine ass home
I know exes hate me now can't date you so they hate you now

All I hear is raindrops
I want range wit' new top
When I post the news stop
If I post my nudes I
Have the world like ooh, ahh
This right here that new bop
Type to make the mood stop
I don't follow rules I
Just break them then call my

Baby I don't like these boys
I don't like these cameras
I don't like the paparaz'
They remind of the cops, fuck the opps, fuck you right
Make sure that I dick you right
Keep yo ass up all night
Bedroom feel like fight night
Hold it, hold it, hold on tight
Baby, I ride the thighs
Do or die, when I met you, suicide
It's alright, I don't die
I just wanna, I just wanna
Make you mine
For the night, for my life, live like twice
Pawn my ice
Move away, move away, like far away
Hold ya hand, hold ya hand, then we pray, then you stay
Then we fight, then we fuck, then we fuck, then we fuck
Then I like, then I love, we conceive baby feel like—

All I hear is raindrops
I want range wit' new top
When I post the news stop
If I post my nudes I
Have the world like ooh ahh
This right here that new bop
Type to make the mood stop

I don't follow rules I
Just break them then call my

All I want is raindrops
I just want the range top
I want me a new watch
I want me a new Glock
I don't follow rules I
If I drop ya nudes I
Make the world go ooh, ahh, ohh, ahh

All I hear is raindrops (Raindrops, raindrops)
All I hear is raindrops (Raindrops, raindrops)
