break it

GOLDN

Remember when I met you at that party?
Yeah

How am I to know what's real?
You can't even feel your face
You make the nights stand still
We never leave your place

All we ever do, all we ever do
Is get high (Get high)
All you wanna do, all you wanna do
Is get high (Get high)
I should've never let it get this far (This far)
'Cause the second that I give my heart
You'll probably just

Break it, roll it, smoke it
Break it, roll it, smoke it up
Break it, roll it, smoke it
Break it, roll it
(You'll probably just)
Break it, roll it, smoke it
Break it, roll it, smoke it up
Break it, roll it, smoke it
Break it, roll it
(You'll probably just)

What would we talk about
If we weren't so dazed and confused?
How did it get so loud?
I can't even hear the view

All we ever do, all we ever do
Is get high (Get high)
All you wanna do, all you wanna do
Is get high (Get high)
I should've never let it get this far (This far)
'Cause the second that I give my heart
You'll probably just

Break it, roll it, smoke it
Break it, roll it, smoke it up
Break it, roll it, smoke it
Break it, roll it
(You'll probably just)
Break it, roll it, smoke it
Break it, roll it, smoke it up
Break it, roll it, smoke it
Break it, roll it
(You'll probably just)
(You'll probably just)
Break it, roll it, smoke it
Break it, roll it, smoke it up
