

Bad Vibe

Gomey

Every time I see you I get a bad vibe
Get a bad, get a bad, get a bad vibe

Broke my heart and told me lies
Now you don't even cross my mind
Fooled me once won't fool me twice
Now every time I see you I get a bad vibe

Get a bad, get a bad, get a bad vibe
Get a bad, get a bad, get a bad vibe
Get a bad, get a bad, get a bad vibe
Get a bad, get a bad, get a bad vibe

Every time I see you I get a bad vibe
Get a bad, get a bad, get a bad vibe
Every time I see you I get a bad vibe
Get a bad, get a bad, get a bad vibe
Bad vibe, bad bad vibe
Get a bad, get a bad, get a bad vibe
Bad vibe, bad bad vibe
Get a bad, get a bad, get a bad vibe

Broke my heart and told me lies
Now you don't even cross my mind
Fooled me once won't fool me twice
Now every time I see you I get a bad vibe

Every time I see you I get a bad vibe
Get a bad, get a bad, get a bad vibe
Every time I see you I get a bad vibe
Get a bad, get a bad, get a bad vibe

Bad vibe, bad bad vibe
Get a bad, get a bad, get a bad vibe
Bad vibe, bad bad vibe
Get a bad, get a bad, get a bad vibe
