

## basic

Gomey

You look like a model out the flicks yeah  
She applies  
She applies hours of makeup  
All so you can look like one more Kim K  
She do not realize  
She bad but she basic  
Ten of a kind  
She don't even know she a dozen in a dime  
No lie  
Don't look like the filters in your pics, yeah  
She do not realize  
She bad but she basic

I'm into bass not basic  
She pours a line then traced it  
Can't see her future  
That bitch need Lasik  
She says that Clase Azul is her favorite  
I put Patron in the Clase to fake it  
And then I ask her, "how does it taste, bitch?"  
When the check comes you know her seats vacant (yeah)  
But she post them pics like she paid it (yeah, you know)  
Ain't nothing worse than a fake bitch  
Ain't got no money in that Louis that you came with  
She in the club on Thursday night  
Think she famous  
Swear the only cuff she ever gon get is a bracelet

You look like a model out the flicks, yeah  
She applies

All so you can look like one more Kim K

Stop it  
All that basic shit you do is toxic  
That's the type of shit that makes a side chick  
You can't act like that when I got options  
I would only turn you out  
She too aggressive with the twerk  
Lookin' dumb and stretching out my shirt  
That's why I curve her  
She put in work  
Ain't got a job  
Always leaves her wallet in the car  
I got enough I could buy you out, yeah  
Then sell your ass at a discount, yeah  
But it's about intent and principle  
Could never love a bitch that freeloads

You look like a model out the flicks
