

Big Plans

Gomey

Catch me outside by the ride
Hoppin' up into the Nissan
With the peace sign
Cause I'm over your games
I don't give a fuck
All I need is some me time
So girl in the meantime
Why don't we take a break
Watching the sun go down each night
I'm not gon' let you ruin my high
Good vibes baby girl I got plenty
Don't try and crawl back when you ready
It's the season of love, but I don't need none
I just need my space
Cause my ego too big, yea I refuse to chase

This ain't right wasting time, this ain't no life to live
You and I said goodbye cause now it's over with
Hot damn hot damn
I'm the man 'round here I'm the man
And I got too many big plans

Gave you all my love and that cartier bracelet
(Uh ooh yea yea yea)
Gave you all my time, but you only ever waste it (girl)
(No nah nah nah)
And I'm trying not to get in my head about it
And I'd be lying if I don't say I get mad about it
But you, girl you did me dirt
And now I hurt sometimes
You shoulda put me first
This coulda worked but I
Won't be second best for nobody
I turned hating you to a hobby

This ain't right wasting time, this ain't no life to live
You and I said goodbye cause now it's over with
Hot damn hot damn
I'm the man 'round here I'm the man
And I got too many big plans

(Ohhh, I'm the man 'round here I'm the man)
