

# daydreaming

Gomey

Ooh, no, no  
Ooh, no, no  
Ooh, no, no

Have you ever met a girl with honey-brown eyes? Oh-oh  
'Cause I have, and I know that she fell from the skies, oh no  
She got caramel skin and a mind so wise  
She made me fall for her without even tryin'

That's how I knew right then when I seen ya  
I was gon' be who you lean on  
Beauty run deep like the sea, love  
Feel like I'm still daydreamin'  
That's how I knew right then when I seen ya  
I was gon' be who you lean on  
Beauty run deep like the sea, love  
Feel like I'm still daydreamin'

Daydreamin', daydreamin'  
Daydreamin' of me and you  
And I got reasons to believe that  
There's no ceilin' to our love

I know she's down, she supports this  
And when she round we don't force it  
If she break down, know I'll be your shoulder  
Oh yeah  
And on all your dark days  
I'll block out the rain  
Got me losin' my composure

That's how I knew right then when I seen ya  
I was gon' be who you lean on  
Beauty run deep like the sea, love  
Feel like I'm still daydreamin'  
That's how I knew right then when I seen ya  
I was gon' be who you lean on  
Beauty run deep like the sea, love  
Feel like I'm still daydreamin'

Daydreamin', daydreamin'  
Daydreamin' of me and you  
And I got reasons to believe that  
There's no ceilin' to our love

Ooh, no, no  
Ooh, no, no
