

# Fix

Gomey

Once you are gone  
Know I go through with droughts  
Head on my pillow  
Missing you for hours  
I don't wanna be addicted  
But if I ain't it's not real  
Tell me you're close  
'Cause I need my fix

See it through your lens, I'm not innocent  
Are we 'bout to sin right now now?  
I could be convinced, only need a binge  
We could use a cleanse right now now

No shame in misbehaving, will you  
Treat me like I'm  
Contagious, and need saving from you  
Don't dare be shy

Not tryna play the victim babe  
Lost in my own reality  
You don't know what you do to me  
So I'll expect you

Once you are gone  
Know I go through with droughts  
Head on my pillow  
Missing you for hours  
I don't wanna be addicted  
But if I ain't it's not real  
Tell me you're close  
'Cause I need my fix

Want it, just afraid, I got you condemned  
But you won't take offense, oh na na  
Don't need common sense to feel the suspense  
We never repent, oh na na

No shame in misbehaving, will you  
Treat me like I'm  
Contagious, and need saving from you  
Don't dare be shy

Not tryna play the victim babe  
Lost in my own reality  
You don't know what you do to me  
So I'll expect you

Once you are gone  
Know I go through with droughts  
Head on my pillow  
Missing you for hours  
I don't wanna be addicted  
But if I ain't it's not real  
Tell me you're close  
'Cause I need my fix
