

# Unattainable

Gomey

Three nights I've been holed up  
Can't hide below the border  
Off broken dreams and water  
I've been caught up  
In the moment  
I've been on the move  
Our time is getting shorter  
God will curse me with some daughters  
For all the times I told her  
That I'm for her  
Then ignored her  
I've been in the mode

And  
I've been  
So unbreakable  
I've been  
Never made to fold  
Forcin'  
Everything I'm owed  
Lost in  
The unattainable

Chased pretty girls and Porsches  
Never thought 'bout what it'd cost us  
You're on my list of losses  
I'm exhausted  
Way too often  
I've been on the move  
In Hollywood with boredom  
They all just want the stardom  
Might move to North Dakota  
Find some solace  
Livin' lawless  
Howlin' at the moon

And  
I've been  
So unbreakable  
I've been  
Never made to fold  
Forcin'  
Everything I'm owed  
Lost in  
The unattainable

The unattainable

And  
I've been  
So unbreakable  
I've been  
Never made to fold  
Forcin'  
Everything I'm owed  
Lost in  
The unattainable
