

# Witching Hour

Gomey

3AM in the coupe  
And they comin out to play  
Do what I tell 'em to  
Say what I wanna say  
I'm not a sleeper  
Won't catch me restin  
Off the couch in VIP resurrected  
Drowning in bottles  
Who's all these women?  
Whole lotta demons sitting in my section  
We all so wicked (Wick-uhd)  
We turn to creatures (Cree-chuhs)  
Oh no  
You got me  
Intoxi  
I'm sloppy  
Gone

Ready ready ready then we go  
Witchin hour clubs already clo - o -osed  
Grab me, I'm not steady, movin slow  
Witchin hour losin our halo - o -o's  
She already Fallin out her clothes  
With the powder Fallin out her no-o-ose  
Hit me if you'll let me take ya soul  
I devour them and then I gho- o- o- oooost

Pent house  
She wanna lash out  
While her friends fuckin in the background  
You know you bouta  
Pass out  
Fucked up in the hotel  
Gothic bitches tryna cast spells  
Need holy water  
We all so wicked (Wick-uhd)  
We turn to creatures (Cree-chuhs)  
Oh no  
You got me  
Intoxi

Gone
