Find me some time to find a way out of here

Find me a plane I'll fly my way out of here

Find me some time to find a way out of here  
I'd be inclined to walk my way home  
Find me a plane I'll fly my way out of here  
We were so blind to come here at all

Find me some time to find a way out of here  
I'd be inclined to walk my way home  
Buy me a plane and I'll fly my way out of here  
We were so blind
