

Drench

Gomez

Come and fight back
Need some help here
Bail us out
In up to our necks
Drenching never stops
Fish us out

There's a light there to steer it
A fear that is peeling
And soaking us up
Into a slow-motion freezer
Division is leaving
Everything stops

It's overexposure
Stop running off on me
It's overexposure
Stop running off

Come and fight back
Need some help here
Bail us out
In up to our necks
Drenching never stops
Fish us out

Did you forget what you came in for?
Still shaking the rain off
Fresh from the storm

So we saved up the good stuff
And scrapped for the liferaft
Pistols at dawn

It's overexposed
And only tits and teeth remain
It's overexposed
Keep your filthy hands off

Come and fight back
Need some help here
Bail us out
Had it up to here
Drenching never stops
Fish us out

Come and fight back
Need some help here
Bail us out
Had it up to here
Drenching never stops
Fish us out

Come and fight back
Need some help here
Bail us out
In up to our necks

Drenching never stops
Fish us out

Come and fight back
Need some help here
Bail us out
Had it up to here
Drenching never stops
Fish us out

Fish us out
Fish us out
Fish us out
Fish us out
