Drench

Gomez

Come and fight back
Need some help here
Bail us out
In up to our necks
Drenching never stops
Fish us out

There's a light there to steer it A fear that is peeling And soaking us up Into a slow-motion freezer Division is leaving Everything stops

It's overexposure
Stop running off on me
It's overexposure
Stop running off

Come and fight back
Need some help here
Bail us out
In up to our necks
Drenching never stops
Fish us out

Did you forget what you came in for? Still shaking the rain off Fresh from the storm

So we saved up the good stuff And scrapped for the liferaft Pistols at dawn

It's overexposed
And only tits and teeth remain
It's overexposed
Keep your filthy hands off

Come and fight back
Need some help here
Bail us out
Had it up to here
Drenching never stops
Fish us out

Come and fight back Need some help here Bail us out Had it up to here Drenching never stops Fish us out

Come and fight back Need some help here Bail us out In up to our necks Drenching never stops Fish us out

Come and fight back
Need some help here
Bail us out
Had it up to here
Drenching never stops
Fish us out

Fish us out Fish us out Fish us out Fish us out
