

See The World

Gomez

Day to day
Where do you want to be?
'Cos now you're trying to pick a fight
With everyone you need

You seem like a soldier
Who's lost his composure
You're wounded and playing a waiting game
In no-man's land no-one's to blame

See the world
Find an old fashioned girl
And when all's been said and done
It's the things that are given, not won
Are the things that you earned

Empty handed, surrounded by a senseless scene
With nothing of significance
Besides a shadow of a dream
You sound like an old joke
You're worn out, a bit broken
Asking me time and time again
And the answer's still the same

See the world
Find an old fashioned girl
And when all's been said and done
It's the things that are given, not won
Are the things that you earned

You've got a chance to put things right
So how's it going to be?
Lay down your arms now
And put us beyond doubt
So reach out it's not too far away
Don't mess around now, don't delay
