

## Roads

## Gone Is Gone

Ohh, can't anybody see  
We've got a war to fight  
Never found our way  
Regardless of what they say

How can it feel so wrong  
From this moment  
How can it feel this wrong

Storm in the morning light  
I feel  
No more can I say  
Frozen to myself

I got nobody on my side  
And surely that's not right  
I got nobody on my side  
And surely that's not right

Ohh, can't anybody see  
We've got a war to fight  
Never found our way  
Regardless of what they say

How can it feel, how can it feel so wrong  
How can it feel, how can it feel so wrong  
From this moment  
How can it feel this wrong

We've got a war to fight  
Never found our way  
Regardless of what they say

How can it feel so wrong  
From this moment  
How can it feel this wrong
