

Violescent

Gone Is Gone

Unless we stop the killing we will remain
Unless we stop our killing we will bleed in vain
Say goodnight sing with pride or sink hook inside
Say goodnight sleep in tight move chasing the time
All beware vicious feeling lye in a rage
All beware the vicious feeling lion in a cage
Say goodnight sing with pride or sink hook inside
Say goodnight sleep in tight move chasing the time
Rain down burning ground
Say goodnight sing with pride or sink hook inside
Say goodnight sleep in tight move chasing the time
You'll keep chasing the time
Violescent self
in the long run
Unless we stop the killing we remain savages
