

# I'm Never Getting Over You

Gone West

I want the end to be easier than the start  
You were a hopeful heart that I shattered apart  
I wanna say goodbye and disappear  
Don't wanna watch if you break down into tears

Don't try to make me stay  
'Cause I ain't gonna change my mind

Take a good look at the pain in my face 'fore you walk away  
Memorize all the hurt in my eyes, not what I say  
I'm gonna give you what you wanted  
Though my heart will never stop  
Tell you that I'm fine even though I'm not  
You're gonna know for the rest of your life  
This is true, I'm never gettin' over you  
I'm never gettin' over you

We'll move on and you'll find somebody new  
With everything I could never be for you  
It's hard to hear, but time is a broken heart's best friend  
And there's a morning waitin' for you  
We don't know what could've been  
What could've been

Take a good look at the pain in my face 'fore you walk away  
Memorize all the hurt in my eyes, not what I say  
I'm gonna give you what you wanted  
Though my heart will never stop  
Tell you that I'm fine even though I'm not  
You're gonna know for the rest of your life  
This is true, I'm never gettin' over you  
I'm never gettin' over you

I can't stop you from leavin'  
And you can't stop me from lovin' you

So take a good look at the pain 'fore you walk away  
Memorize all this hurt, not what I say  
I'm gonna give you what you wanted  
Though my heart will never stop  
Tell you that I'm fine even though I'm not  
You're gonna know for the rest of your life  
This is true, I'm never gettin' over you  
I'm never gettin' over you  
I'm never gettin' over you  
I'm never gettin' over you
