

## Yoni On Mars

Gong

Witch Yoni looping round the moon  
Tripping to Mars  
Drifting on the red world  
Walking the dog...star  
Talking galactic acrobat  
Ah here's a huge blue balloon...  
Its Zero!

Floating Zero comes to rest  
At Yoni's place on Mars  
She sorts the DNA up there

Looking for the perfect mix  
Zero shines in the light of two red suns  
His bubble self extends beyond the skyline  
They are together...o yes...  
They are apart  
A delightful time  
They watch the stars with great attention  
Then they part
