Good Charlotte

Hey Dad,  
I'm writing to you  
Not to tell you that I still hate you  
Just to ask you how you feel  
And how we fell apart  
How this fell apart

Are you happy out there in this great wide world?  
Do you think about your sons?  
Do you miss your little girl?  
When you lay your head down,  
How do you sleep at night?  
Do you even wonder if we're alright?

If we're alright,  
We're alright

It's been a long hard road without you by my side  
Why weren't you there all the nights that we cried  
You broke my mother's heart  
You broke your children for life  
It's not okay  
But we're all right  
I remember the days you were a hero in my eyes  
But those are just a long lost memory of mine  
I spent so many years learning how to survive  
And I'm writing just to let you know I'm still alive

The days I spent so cold, so hungry,  
Were full of hate, I was so angry  
The scars run deep inside this tattooed body  
There's things I'll take to my grave  
But I'm okay  
I'm okay

It's been a long hard road without you by my side  
Why weren't you there all the nights that we cried  
You broke my mother's heart  
You broke your children for life  
It's not okay  
But we're all right  
I remember the days you were a hero in my eyes  
But those are just a long lost memory of mine  
Now I'm writing just to let you know I'm still alive  
And I'm still alive

Sometimes I forgive  
Yeah, and this time  
I'll admit  
That I miss you  
Said I miss you

It's been a long hard road without you by my side  
Why weren't you there all the nights that we cried  
You broke my mother's heart  
You broke your children for life  
It's not okay

But we're all right  
I remember the days you were a hero in my eyes  
Those are just a long lost memory of mine  
Now I'm writing just to let you know I'm still alive

And sometimes I forgive,  
And this time,  
I'll admit,  
That I miss you,  
I miss you,  
Hey Dad.
