C F#
March on. March on.
2. I remember summer nights alone,
Fireflies the only thing we owned,
all we had were dreams of California.
And I remember winters were so cold,
hunger was the only thing we've known,
and rock n' roll dreamin' was what saved us.
- R: Like soldiers...
- Dmi C B**
*: Til we see the sun.
Dmi C B
Til we see the sun.
Dmi
Through the good times,
C
Through the bad times,
B
Through the long days,

through the hard nights.
Dmi C B
Keep on til we see the sun.
- R: Like soldiers... (2x)
