  F#
   if this was ever real
  F# Gm
R: I want the truth, from you.
   F# C#
   give me the truth, even if it hurts me.
   F# Gm
   I want the truth, from you.
  F# C#
   give me the truth, even if it hurts me.
2. I want the truth, so this is you
   you're talking to me
   you found a million ways to let me down
   so im not hurt when you're not around
   I was blind
  but now I see
  this is how you feel
   just say it to me
   if this was ever real
R: I want the truth...
3. I know that this will break me
   I know that this might make me cry
   you gotta say what's on your mind,
   on your mind
   I know that this will hurt
  break my heart and soul inside
   I don't wanna live this lie
R: I want the truth...
   I don't care no more no
   just give me the truth, give me the truth,
   cause I don't care no more
   give me the truth,
   cause I don't care no more, no
   give me the truth,
   cause I don't care no more, no
