

## Vertigo

Good Charlotte

Woke up, got dressed, depressed, gotta take my medication  
You guessed, I'm stressed, no rest, you said I need a vacation  
And everybody's doing better, and they're clever  
And they're always gonna say it whenever we're together  
Who's the guy with the look in his eye who wants to kill everyone  
Whoever looks in your direction?  
Maybe I'm just jealous

I feel like vertigo every time I let you go  
Falling in and out of love  
It's like you're runnin' in my blood  
I'm goin' psycho, mental hospital  
Every time I let you go  
It's just another hazard to my health

You know your touch, yeah, cold like winter  
You like a habit that I can't get rid of  
You like a drug keep making me sicker  
And I just keep falling for you  
You got me going out of my mind  
You fool me with all your lies  
When I cry, do that make you smile?  
Just smile, it drives me wild

I feel like vertigo every time I let you go  
Falling in and out of love  
It's like you're runnin' in my blood  
I'm goin' psycho, mental hospital  
Every time I let you go  
It's just another hazard to my health

Like you're runnin' in my blood  
Falling in and out of love  
(Of love) It's like you're runnin' in my blood  
Falling in and out of love  
Of love

I feel like vertigo every time I let you go  
Falling in and out of love  
It's like you're runnin' in my blood  
I'm goin' psycho, mental hospital  
Every time I let you go  
Just another hazard to my health
