

Tornado

Good Kid

We let out and heard it pouring
And on the ground in a thunderstorm
Holding on in the yellow light
I pray for rain twice a night

I'll be waiting for the next time
When you're stuck in a tornado
I can't be zany
As long as I'm with you, uh

I'll be waiting for the end
In a house that's filled with a frame that bends
Let the floorboards speak like a leaky pen, we can run

I'll be waiting for the rain
In a mill that's gone, but the wheel remains
If the river flows, it's against the grain, we can run

I'll be waiting for the next time
When you're stuck in a tornado
I can't be zany
As long as I'm with you, uh

I'll be waiting for the next time (Next time)
When you're stuck in a tornado (When you're)
I can't be zany, yeah (Zany)
As long as I'm with you, as long as I'm with you

I'll be waiting for the next time (Next time, next time, next time)
