

## To Be Won

Good Morning

I was in a mess  
Like to think I've been a man  
Lots of work with no hands to be done  
But it sucks to be won  
And I tried but it sucks to be won

Yeah I burn a card  
Like to think we don't get found  
Lots of work with many hands to be done for a day in the sun  
And I've tried but it sucks to be won

No I don't understand  
This time last year I said I'd be a better man  
Lots of work with no friends to be found  
No they ain't hanging around  
And I've tried but it sucks to be won  
And I've tried but it sucks to be won  
Yeah it sucks to be won  
Yeah it sucks to be won
