Good Morning

I'm sorry that I overstayed
My welcome but I am on fire today
So in love with all your ways
The pros they'll never stray far from the structure
Oh boy, ah, ah

Ah, I dipped from the conference today
And I couldn't be happier yeah
I'm gonna celebrate

But I drank up all the wine
Well I guess gin will do just fine
Given present company
You boy, ah, ah

Ah, mm

I'm sorry that I overstayed
My welcome but I am on fire today
I think I'm on fire today
I think I'm on fire today
I think I'm on fire today
