

## Warned You

Good Morning

He looked at me, it's no surprise  
And I  
Well, I  
I could die

But I warned you  
I warned you  
I warned you  
I warned you  
I warned you  
I warned you  
I warned you  
I warned you

And if I ever look surprised  
Well I  
I'm not trying  
To lie

But I warned you  
I warned you  
I warned you  
I warned you  
I warned you  
I warned you  
I warned you  
I warned you
