

# Broken Record

## Good Old War

I am a broken  
I am a broken record  
Why does the past come back to haunt me when  
I felt my feet were on the ground?

I am a soldier  
I'm under heavy fire  
I am down below the fears I have  
But I can't wait to rise above

I wanna open up  
I wanna open up  
But now I'm hoping I  
Won't end up broken up

I am coasting  
I am coasting home  
I finally have the wind behind me now  
I'm not afraid, I'm not alone

I am a broken  
I am a broken record  
Why does the past come back to haunt me when  
I felt my feet were on the ground?

I wanna open up  
I wanna open up  
But now I'm hoping I  
Won't end up broken up

I'm spinning out of  
Spinning out of  
I'm spinning out of control

I'm spinning out of  
Spinning out of  
I'm spinning out of control

I'm innocent  
I'm innocent  
I'm innocent of everything

I'm innocent  
I'm innocent  
I'm innocent of everything

I'm innocent  
You know I'm innocent  
I'm innocent of everything

I'm innocent  
You know I'm innocent  
I'm innocent of everything

I am a broken  
I am a broken record  
Why does the past come back to haunt me when

I felt my feet were on the ground?

I wanna open up  
I wanna open up  
But now I'm hoping I  
Won't end up broken up

I am a broken  
I am a broken record

I am a broken  
I am a broken record
