

## Off the Wagon

### Good Riddance

i want to know what brought you down wasn't anyone there when t  
he madness came around was it all too much for you did they tel  
l you what to do doesn't that phone weigh a ton or two but you  
can try once more you've got support you can learn to trust i k  
now it's hard throw the crutch away throw it away now your hear  
t is full of blame and in a town this small you can't escape th  
e shame because you've had too much to drink and you swear this  
time you're done because it's stopped being any fun.
