

try to restore the past discrimination try to restore the past
male domination try to restore the past close-minded education
try to restore the past now we all are labelled if you could hear
what they say and what they promised me today what you get is
what you see until there's nothing left for me we owe alot to
our founders christian values we owe alot to our founders killing
the natives we owe alot to our founders they gave us freedom
of speech we owe alot to our founders and now it's all out of
reach what's wrong? do you want to know? what's wrong? do you
want to know? what's wrong? do you want to know? i know what's
wrong and you ought to know
