

Well they're back on my case again
Feels like I ain't got one single friend
Yeah I'm all alone, and I don't know where you went
Sometimes love is not the best thing for you
Sometimes love will bring you to your knees
And your heart it sinks then depletes
You either get up or you lay down and die

But darlin' I don't know what you've done to me
But it works and I hate it
Darlin' I don't know what you've done to me
But it works and I hate it, works and I hate it

She whispers softly in my ear
She's a telling me all the things I want to hear
I turn to respond, but she's way far gone
Of course we had dreams together
Dreams I thought would never change
You took the one thing that I loved the most
You took it all away, woah-oh

But darlin' I don't know what you've done to me
But it works and I hate it
Darlin' I don't know what you've done to me
But it works and I hate it, works and I hate it

Woah-oh-oh, oh, oh
Woah-oh-oh, oh, oh
Woah-oh-oh, oh, oh
Woah-oh-oh, oh, oh
Woah-oh-oh, oh, oh
Woah-oh-oh, oh, oh
Woah-oh-oh, oh, oh

Darlin' I don't know what you've done to me
But it works and I hate it, works and I hate it
