

Step Aside

Goodbye June

Momma and Daddy traveled around
Preaching and teaching the gospel
We settled down in a shitty town
Only broken home and a Bible

I've been everywhere since then
I saw what really mattered
Now when I look back on all that pain
It brings me laughter

I'm in love
With the sweet sweet sweet sunshine
Ain't a fool
And it's time for me to take what's mine
Yeah yeah yeah oh

It's time
It's mine
All mine
Step aside

Step aside

All my friends went to college
Then got jobs and kids and wives
But I found peace in this guitar
Gonna play it 'til I die

Still in love
With that sweet sweet sweet sunshine
Ain't no fool
And it's time for me to take what's mine
Yeah yeah yeah

It's time
It's mine
All mine
Step aside

I'm in love
With that sweet sweet sweet sunshine
Ain't no fool
And it's time for me to take what's mine
Wow

It's time
It's mine
All mine
Step aside

It's time
It's mine, yeah
All mine
Step aside
