

# Switchblade Heart

Goodbye June

Ooh, a Lucy kiss and a goodbye  
A black dress full of white lies  
Held the curves tight  
Got me stoned  
Took me for a night ride

Ooh, she really stuck me good this time  
Brought some roses to a blade fight  
She carved my name right  
Got me stoned  
Put me in my grave site

Cold blooded  
Love or hate it  
Either way we ain't gon' make it  
Cold blooded  
Love or hate it  
Either way we ain't gon' make it

She's a switchblade heart  
Push the wrong button and she cuts me apart  
Twist it just right and she leavin' me for dead  
Layin' in her bed  
Messin' with my head  
Like a knife in the dark  
She's a switchblade heart

Ooh ooh  
Yeah yeah yeah  
Ooh ooh

Ooh she breathes a little life back in  
Just to kill me all over again  
It's a dirty little sin  
Keep me drinking  
Will it ever end, no?

Cold blooded  
Love or hate it  
Either way we ain't gon' make it  
Cold blooded  
Love or hate it

She's a switchblade heart  
Push the wrong button and she cuts me apart  
Twist it just right and she leavin' me for dead  
Layin' in her bed  
Messin' with my head  
Like a knife in the dark  
She's a switchblade heart  
Push the wrong button and she cuts me apart  
Twist it just right and she leavin' me for dead  
Layin' in her bed  
Messin' with my head  
Like a knife in the dark  
She's a switchblade heart

She a switchblade heart  
Ooh, she really stuck me good this time  
Cold blooded  
Love or hate it  
Either way we ain't gon' make it  
Cold blooded  
Love or hate it

Push the wrong button and she cuts me apart  
Twist it just right and she leavin' me for dead  
Layin' in her bed  
Messin' with my head  
Well she a switchblade heart  
Push the wrong button and she cuts me apart
