

## A Bank Robber's Nursery Rhyme

Goodnight, Texas

I haven't got a penny haven't got a dime  
But I know how to have a good old time  
I ain't got a dollar baby when I do  
Gonna go and spend it all on you  
When we get the money we can run away  
And sing a little song 'bout yesterday  
They're never gonna catch me long as I'm alive  
You and me together we'll survive

Honey in the pantry put it in the tea  
And stir it with a spoon for you and me  
Sitting in the parlor waiting for your ma  
You're the best gal I ever saw  
When we get the money we can run away  
I don't give a holler what they say  
Never gonna find us till the day we die  
You and me together we'll get by

Putting your dress and looking mighty fine  
Lacquerin' my shoes until they shine  
You can have my heart if I can have your hand  
I can make your daddy understand  
I haven't got a penny haven't got a dime  
But I know how to have a good old time  
I ain't got a dollar baby when I do  
Gonna go and spend it all on you

Break the lock box, get the gold  
Just as much as I can hold  
Out the door, to the car  
Oh together we'll go far  
This is a hold up mamma  
I was born to be a bank robber  
Hand over your last gold dollar

This is a hold up mamma  
(This is a hold up mamma)  
This is a hold up mamma  
(This is a hold up)  
Never gonna catch me long as I'm alive  
You and me together we'll survive
