

Hardcore Q3

Goon Moon

They got their bed sores
There life's a bore
Trying to restore
What's been ignored
Like Jack and Sadie
They went insane
They had a baby
The kid had a name
They call me hardcore
I am hardcore
Cuz I am hardcore
I am hardcore
Yes, we is hardcore
We is hardcore
We got's a name

Quantam 3, gone to hell

Are bed is always made
Are sheets are always clean
We are the ones who live in the mirror
You are the ones who don't believe
They call me hardcore
I am hardcore
Cause I am hardcore
I am hardcore
Yes, we is hardcore
We is hardcore
We got it made

Quantam 3, gone to hell
Hell

Quantam 3, gone to hell
Hell
