

Hank Williams Lonesome

Gord Bamford

Hey good lookin'
It's been too long
Down this lost highway
That I've been on

You win again
Every way I turn
And this howlin' at the moon
Only makes me yearn

My cold cold heart is hurting now
Them lovesick blues have got me down
I'm so dogone lonesome I could cry
I'm Hank Williams lonesome tonight

If you would only love me
Like you used to do
I might see the light
And make it through

Mind your own business
Don't tell me that
This ramblin' man
He wants you back

This honky-tonkin' every night
Just won't do
Cause I can't help it girl
I'm still in love with you
