Ribbon of Darkness

Gordon Lightfoot

Ribbon of darkness over me Since my true love walked out the door Tears I never had before Ribbon of darkness over me

Clouds are gatherin? over my head That kill the day and hide the sun That shroud the night when day is done Ribbon of darkness over me

Rain is falling on the meadow Where once my love and I did lie And now she is gone from the meadow My love goodbye

Ribbon of darkness over me
Where once the world was young as spring
Where flowers did bloom and birds did sing
Ribbon of darkness over me

Here in this cold room lyin?
Don?t want to see no one but You
Lord I wish I could be dyin?
To forget You

Oh, how I wish your heart could see
How mine just aches and breaks all day
Come on home and take away
This ribbon of darkness over me
Yes come on home and take away
This ribbon of darkness over me
