

## Wherefore and Why

Gordon Lightfoot

When I woke this mornin',  
Something inside of me told me  
This would be my day  
I heard the morning train,  
I felt the wind change,  
Too many times I'm on my way

Come on sunshine, what can you show me  
Where can you take me to make me understand  
The wind can shake me, brothers forsake me  
The rain can touch me, but can I touch the rain

And then I saw the sunrise above the cotton sky like a candy can  
e delight  
I saw the milkman, I saw the business man, I saw the only road  
in sight  
Then I got to thinkin' what makes you want to go, to know the w  
herefore  
and the why  
So many times now, oh Lord I can't remember if it's September o  
r July

Then all at once it came to me, I saw the wherefore, and you ca  
n see it if you try  
It's in the sun above, it's in the one you love, you'll never k  
now the reason why

Come on sunshine, what can you show me  
Where can you take me to make me understand  
The wind can shake me, brothers forsake me  
The rain can touch me, but can I touch the rain  
So much to lose, so much to gain
