

Lubricated in Vomit

Gorgasm

Plodding deep into you with
Unrelenting fascination
Excavate through dung soaked ulcerated boils
My cock poised for...Insertion
Wedged between enormous ass cheeks
Flabby gob spills engulfing me
Rising stench of fermentation
Bone dry anus a course penetration
Scathing my shaft
Her crusty hole, desperate, in need of lubrication
Massive fleshy husk gyrating
Dislodging my satiating spew
Splattered back, puke descending
Trickles into cavern of stink
Lubrication welcomes me
Cumming as I gut this pig
