

## Third Degree Taste

Gorgasm

Searching for my next scalded piece  
of meat. In the parking lots I wait.  
Lurking in the dark, erect from  
excitement. Grab this bitch around  
her throat. Toss her in the van she  
screams in terror. Tape her fucking  
mouth shut. My next victim she  
will get a taste. Boiling hot water  
for this bitch. She will get a third  
degree taste. Burn you bitch.  
Third degree burns Rise from your  
face as I fuck you in your scalded  
mouth. Shooting my load on boiled  
lips. The climax is the best for me  
With her flesh still bubbling. Bitch  
you got my third degree taste.
