you love

I'm ready for the start of something new I'm ready to depart from what make me blue I'm ready for my heart to let you through But most of all, most of all I'm ready for the rain to pour down on me I'm ready for a change to come and set me free I'm ready for my loss to become victory But most of all, most of all I'm ready for you love, I'm ready for your love, I'm ready for you love I'm ready for you love, I'm ready for your love, I'm ready for vou love I'm ready for my hands to touch the sky I wanna understand how it feels to fly I'm ready for my eyes to see the light But most of all, most of all I'm ready to be strong, I pump my fist I'm ready to be wrong so I can be right there I'm ready to belong and shook my cares But most of all, most of all I'm ready for you love, I'm ready for your love, I'm ready for you love I'm ready for you love, I'm ready for your love, I'm ready for you love I'm ready for you love, I'm ready for your love, I'm ready for you love I'm ready for you love, I'm ready for your love, I'm ready for you love Stars burn bright Everything is changed between you and I I was so apprehensive but I don't know why Baby I'm ready for you to be by my side, by my side Stars burn bright Everything is changed between you and I I was so apprehensive but I don't know why Baby I'm ready for you to be by my side, by my side

I'm ready for you love, I'm ready for your love, I'm ready for

I'm ready for you love, I'm ready for your love, I'm ready for

I'm ready for you love, I'm ready for your love, I'm ready for
you love
I'm ready for you love, I'm ready for your love, I'm ready for
you love
